

Kindly note the following information for the pre-recorded video of your oral presentation at ICH 2020/21.

- Each presentation has been allocated 15 minutes, with an additional 5 minutes for the Q&A session.
- Please also note that a 15 minutes presentation is usually between nine to twelve slides. (Except for the title and the references)
- Script-based presentations or reading off the slides is not encouraged for presenting your study.
- The maximum number of presenters for a group presentation is three presenters.
- The presenters can use the PowerPoint recording facility, Zoom recording facility or Google Meet recording facility to record the presentation easily in addition to making a narrated video.
- Please switch on your video when/ while you are recording your presentation.
- Please email your recorded presentations replying to this e-mail by 22nd July 2021.
