Oral Presentation Guidelines
2nd International Research Symposium on Traditional Medicine
(AyurEx Colombo -2024)

➢ The research that was recommended to be presented as oral presentations must be presented orally at the Symposium.

➢ Only the presented abstracts will be included in the final version of the abstract book. The abstracts accepted and not presented will be removed from the final version of the abstract proceedings of AyurEx 2024.

➢ Each presenter will be given 10 minutes to present their oral presentation and an additional 5 minutes will be allocated for a question-and-answer session with a total of 15 minutes. Please ensure that you stick to the time allocated. You will be requested to stop the presentation if you exceed 10 minutes.

➢ The authors mentioned in the abstract should make the presentation.

➢ All the oral presentations should be prepared in PowerPoint, and it is advised to use the AyurEx PowerPoint Template given at the AyurEx 2024 website https://conf.kln.ac.lk/ayurex/index.php/guidelines/presentation-guidelines

➢ Include your abstract ID in your presentation as shown here: AE_24_Paper ID (Ex: AE_24_156)

➢ Save the presentation file in the format **<AE_24_Abstract ID>**, for example: AE_24_156.

➢ Any photographs/images used in PowerPoint should be of adequate resolution. Videos must not be used in the presentation. If playing a video is essential for your presentation, please contact FGS at least five days prior to the date of the symposium.

➢ The presenter is recommended to use graphs and figures instead of tables where necessary in the oral presentation.

➢ The prepared presentation should be submitted on or before 30th April 2024 via ayurex@kln.ac.lk

➢ At least one of the authors of an accepted abstract must complete paid registration at the full rate for the symposium.

➢ If paid registration is not completed, the abstract will be removed from the symposium program and proceedings.

➢ Your cooperation to make the symposium a success is highly appreciated.
