Welcome to

The 2nd International Research Symposium on

Traditional Medicine

AyurEx Colombo - 2024

Organized by

The Faculty of Graduate Studies

University of Kelaniya

in collaboration with

The Department of Ayurveda, Ministry of Health, Sri Lanka

A Special Note about the Program Book:

The University of Kelaniya is the first university to adopt green practices in Sri Lanka successfully. We are moving towards a ‘paperless’ university. In keeping with the concept, we have decided to offer only the essential information that participants would require in print form. The rest of the information is offered online. Beginning in 2016, an online conference management platform was used to organize the conference, which allowed for more efficient planning and improved data management during registration and review.

The Symposium Program Book:

This includes a detailed schedule of events, session details including date, time and venues.

Abstract Volume:

The Abstract Volume is accessible online in PDF format, providing comprehensive author information alongside the abstracts.

Symposium-related information can be found through the AyurEx website. To access the AyurEx webpage, please scan the QR code provided below.

Message from the Minister of Education

I am pleased to send my good wishes for the 2nd International Research Symposium on Traditional Medicine, to be held during May 3-5, 2024, at the UCFM Tower, Faculty of Medicine, University of Colombo.

Global trends in education demand new knowledge, skills, values and attitudes to be acquired by citizens to lead productive healthy lives and make informed decisions in their work roles. Health has become a global concern in many dimensions of human activity. This symposium, organized around the theme, "One health for all through traditional medicine" would be helpful to promote a multidisciplinary collaboration for a healthier world for all, covering all aspects of health care for humans, animals, and the environment.

The Ministry of Health, and the Department of Ayurveda of the Government of Sri Lanka, in collaboration with the Faculty of Graduate Studies, and the University of Kelaniya, have initiated to dedicate a platform to share knowledge and skills relating to multi-disciplinary research on the traditional medical sector.

I express my sincere gratitude to the Minister of Health, the State Minister of Indigenous Medicine, and the Department of Ayurveda for giving leadership to this international event. I also thank the Vice-Chancellor, the University of Kelaniya, the Faculty of the Graduate Studies, and the eminent speakers and academics who are making contributions to this symposium.

I wish this symposium all success!

Hon. (Dr.) A. D. Susil Premajayantha (M. P.)

Minister of Education

Leader of House, Sri Lanka Parliament

Message from the Minister of Health

It is an immense privilege that as the Minister of Health for the Ministry of Health, Sri Lanka, provide guidance and leadership for the 2nd International Research Symposium on Traditional Medicine which will be held on the 3rd 4th, and 5th of May 2024 at UCFM Tower, Faculty of Medicine, University of Colombo.

The Government of Sri Lanka is committed to ensuring Universal Health Coverage to all its citizens. The Cabinet of Ministers approved the Policy on Healthcare Delivery for Universal Health Coverage in 2018, which could be considered the foundation for preserving Universal Health Coverage in the country. This would also pave the way towards achieving Sustainable Development Goals.

The Ministry of Health, Indigenous Medicine sector and the Department of Ayurveda are committed towards successful operationalization of the policy, which focuses on reorganizing and strengthening the primary healthcare delivery system and exploring new frontiers in the field of traditional medical systems through evidence-based research.

This symposium is a platform established by the Ministry of Health, and the Department of Ayurveda of the Government of Sri Lanka, in collaboration with the faculty of Graduate studies, the University of Kelaniya to propagate the traditional medical system globally in its true sense. This global platform provides ever evolving scientific exchange between modern science and traditional medicinal systems.

The impact of an international research symposium encompasses the areas of evidence-based multidisciplinary research, innovations, biodiversity, ecosystem and one health approach through traditional medicine to the global outreach for the benefit of society and mankind.

I extend my sincere appreciation state minister of the indigenous sector, the Department of Ayurveda, the faculty of Graduate studies, the University of Kelaniya, and the organizing committees for their tremendous support in making this event a success.

Hon. (Dr.) Ramesh Pathirana

Minister of Health
Sri Lanka

Message from the state minister of Indigenous Medicine

It is with great pleasure and immense honor that I stand before you as the state minister of Indigenous Medicine, to address the inauguration of the AyurEx 2024, the 2nd International Research Symposium on Traditional Medicine, organized by the Ministry of Health, the Department of Ayurveda of Sri Lanka, in collaboration with the Faculty of Graduate Studies, University of Kelaniya.

Once Director General of the World Health Organization (WHO) emphasized that, the countries around the world should work towards unlocking the power of traditional medicine and provide evidence and action-based suggestions that can be interpreted into a global strategy.

In order to achieve the vision of preserving Universal Health Coverage in the country, The Sri Lankan government dedicated and adopted the Policy on Healthcare Delivery for Universal Health Coverage in year 2018, paving the road for reach the Sustainable Development Goals.

This international forum organized and conducted by the Ministry of Health and Department of Ayurveda, in collaboration with the University of Kelaniya, will facilitate well accomplished researchers, academicians, Traditional Medical practitioners and Herbal drug manufacturers regarding the research-based studies.

Furthermore, this event will Motivate, reform and enhance the primary healthcare delivery system, and seek new horizons in the field of traditional medical system.

I would like to express my sincere gratitude to University of Kelaniya, Ministry of Health and Department of Ayurveda and all the supporters who have generously contributed and who have worked tirelessly to make this event possible.

While collaborating in this symposium. Together, we can turn knowledge into action and pave the way for a better tomorrow

Thank you, and may this symposium be a resounding success

Hon. Mr. Sisira Jayakody

Minister of State for Indigenous Medicine
Sri Lanka

Message from the Secretary of the Ministry of Health

It is with great pleasure and immense pride that as the Secretary of the Ministry of Health to make a remarkable message to the 2nd International Research Symposium on Traditional Medicine which will be held on the 3rd 4th, and 5th of May 2024 at UCFM Tower, Faculty of Medicine, University of Colombo.

The Ministry of Health, and the Department of Ayurveda of the Government of Sri Lanka, in collaboration with the faculty of Graduate studies, the University of Kelaniya, have initiated to dedicate the global platform to share knowledge and skills to multidimensional, multi-disciplinary, inclusive, and culturally appropriate evidence base research related to the traditional medical sector.

The World Health Organization (WHO) urged that countries around the world work towards unlocking the power of traditional medicine and provide evidence and action-based suggestions that can be interpreted into a global strategy. Consequently, this momentous event was taken as an initiative to generate a global forum committed to the concept of “traditional medical systems for one health.”

I express my deepest appreciation to the keynote speaker, eminent speakers, presenters, and panellists who have offered to devote their time and expertise to make this event a resounding success. Your contributions would be instrumental in shaping the discourse and expanding our horizons.

I'd also like to extend my gratitude to the Department of Ayurveda, the university of Kelaniya, the organizing committees and all the individuals who have worked tirelessly behind the scenes to ensure the smooth execution of this event.

This international symposium provides a wealth of diverse experiences, perspectives, and immense knowledge. Each of you holds a unique piece of the puzzle that can help us find groundbreaking solutions regarding the global concept of one's health.

Hence, we embark on a journey to explore new horizons and discover the depths of the concept one health, regarding Traditional Medical Systems.

Dr. P.G. Mahipala

Secretary of the Ministry of Health
Sri Lanka

Message from the Commissioner General of Ayurveda, Sri Lanka

As the commissioner General of Ayurveda, it gives me immense pleasure to host the 2nd International Research Symposium on Traditional Medicine, on the 3rd, 4th and 5th of May 2024 at UCFM Tower, Faculty of Medicine, University of Colombo.

International Research Symposium -AyurEx Colombo- 2024 is poised to be the most prominent and comprehensive event organized and dedicated to traditional medicine, providing a unique platform for stakeholders, experts, research, and practitioners from across the globe to converge, collaborate, and explore the vast potential of traditional medical practices.

The Ministry of Health, and the Department of Ayurveda of the Government of Sri Lanka, in collaboration with the faculty of Graduate studies, University of Kelaniya, have initiated to dedicate the global platform to share expertise, knowledge, and skills to cutting-edge research interventions and inventions on Traditional Medicine.

Traditional Medicine (TM) to today's emerging health challenges, it is time to exchange expertise, knowledge, and skills among academics, scientists, practitioners, entrepreneurs, and researchers through cutting-edge research interventions and innovations.

The Director General of the World Health Organization (WHO) highlighted “unlocking the power of traditional medicine and providing evidence and action-based suggestions that could be interpreted into a global strategy.” Accordingly, this initiative created an international forum focused on the “traditional medical systems for one health”. Moreover, this international conference provides a scientific platform to eminent researchers, academicians, physicians, traditional and medical practitioners, manufacturers, and exporters of Ayurveda for evidence-based research.

I express my thanks to the Minister of Health, Hon. Ramesh Pathirana, State Minister of Indigenous Medicine, Hon. Sisira Jayakody, Secretary, Ministry of Health Dr. P.G Maheepala, the Vice Chancellor, University of Kelaniya, the Dean of the faculty of graduate studies, and everyone who has been instrumental in Organizing this symposium from all members to the Patrons, Advisors, and the Organizing Committee, for offering in their hearts and soul for the grand success. I am grateful to the presenters and the participants for their thought-provoking contributions. I extend our very best wishes to you wherever you may be.

Last but not least, our sponsor, Lever Ayush and partners, we are grateful for your support, which is to be powered us to bring this event to fruition. Your commitment to the advancement of knowledge and innovation is deeply appreciated.

As we embark on this intellectual journey together, let us keep an open mind, and engage in constructive dialogues, while collaborating in this symposium. Together, we can turn knowledge into action and pave the way for a better tomorrow.

Thank you, and may this symposium be a resounding success!

Dr. Dammika Abeygunawardena
Commissioner General of Ayurveda
Sri Lanka

Message from the Guest of Honour

Vice-Chancellor, University of Kelaniya

It is with great pleasure and honour that I extend my warmest greetings to all those involved in the 2nd International Research Symposium on Traditional Medicine - *AyurEx Colombo 2024*. First and foremost, I wish to commend the organizers for their dedication and hard work in bringing together experts, eminent and young researchers, and practitioners from around the globe to explore and celebrate the rich heritage of traditional medicine in Sri Lanka.

The theme for the *AyurEx Colombo 2024* “*One Health for sustainable and healthy living of humans, animals, and ecosystems*” has been selected to cover diverse avenues to reap the maximum benefit. Careful review of the abstracts that are to be presented under 12 subthemes, amounting to nearly 300 individual presentations, speaks to the gravity, depth and breadth of research being conducted in this field. The symposium’s focus on topics such as Vrikshayurveda, Satvarurveda, metabolic disorders, traditional practices in food and nutrition, and the impact of traditional medicine on health and wellness reflects the multifaceted nature of traditional medicine's role in contemporary healthcare.

As a practitioner of Western Medicine, I am well aware of the fact that many of the pharmaceutical products that we use today are derived from nature and traditional knowledge, including landmark drugs such as aspirin and artemisinin. It was the effective use of traditional knowledge that enabled scientists to achieve their breakthrough discoveries and bring these drugs into widespread use. Several such examples highlight the importance of digging into our hidden treasures so that we can tap into their full potential and bring them to market with proper scientific insights.

I wish all the participants and the organizers of *AyurEx Colombo 2024* fruitful deliberations and a very successful meeting!

Senior Professor Nilanthi Renuka de Silva

Vice-Chancellor
University of Kelaniya
Sri Lanka

Message from the symposium Co-Chair and Dean, Faculty of Graduate Studies

About 80% of population in Africa and 40% of population in many other parts of the world use traditional medicine to help meet their health care needs. Increased side effects, high cost, microbial resistance and lack of curative effects for some chronic diseases are major concerns of synthetic drugs. Traditional medicines are known to be 'clinically proven' for non-toxicity or less toxicity and effectiveness by the generations-long use of them. However, the modern world is curious, and mere reference to classical texts or generations-long use may not be sufficient as evidence of safety and efficacy of traditional medicine. Therefore, scientific evidence-based research is vital for wider global recognition and acceptance of traditional medicine.

I believe that this symposium will be a platform for traditional medical practitioners, western medical practitioners, students, researchers and scientists to interact and draw strategies to initiate regional and global-level research in quality control, safety, efficacy, disease diagnosis and many other aspects of traditional medicine.

Wishing you a fruitful experience,

Senior Professor N. A. K. P. J. Seneviratne

Symposium Co-Chair & Dean
Faculty of Graduate Studies
University of Kelaniya
Sri Lanka

Message from the Symposium Chair

It is with great pride and immense pleasure that I extend this message for the 2nd International Research Symposium on Traditional Medicine, AyurEx Colombo 2024, centred around the theme of 'One Health for sustainable and healthy living of humans, animals, and ecosystems.' We warmly welcome all participants to Colombo from 3rd May to 5th May 2024. This symposium, organized in collaboration with the Department of Ayurveda, aims to promote the 'One Health' approach to achieve optimal health and sustainability for humans, animals, and ecosystems by leveraging traditional medicine for the fulfilment of Sustainable Development Goals.

The University of Kelaniya stands as a beacon of innovative research, giving top priority to translating recent advances in herbal medicine into practical applications. The symposium's objectives are sharply focused, not only fostering networking among stakeholders but also facilitating knowledge sharing and technology transfer to enhance value addition in traditional medicine products. Emphasizing the bridge between research and market application through rigorous research and quality control measures, the university's diverse research activities will further enrich its contributions.

The symposium will delve into various subthemes such as Vrikshayurveda and Satvarurveda with a holistic approach, Metabolic disorders in humans and animals, Zoonotic diseases and traditional medicine, Pharmacology, Pharmaceuticals, and Clinical trials, along with Preventive and Curative measures for health issues. Additionally, discussions will range from advanced medical & surgical practices in traditional medicine to Eco-Tourism, Yoga, and Wellness, and High-tech innovations in traditional healthcare systems. Topics including Toxic effects, Sustainable Cultivation, organic farming, conservation of medicinal plants, antimicrobial resistance, environmental contamination, climate change, biodiversity, and habitat loss will also be explored. AyurEx Colombo 2024 serves as a platform for acquiring new knowledge, enhancing advanced research skills, strengthening networking with early career researchers, and fostering Private-Public Partnerships (PPP).

With an anticipated participation of around 400 authors and attendees, including esteemed keynote and plenary speakers from Sri Lanka and India, the event promises a diverse array of insights and discussions. We are delighted to extend a warm welcome to all distinguished guests and well-wishers of AyurEx Colombo 2024. The tireless efforts of the organizing committees underscore the collaborative spirit behind the symposium's success. I express my sincere gratitude for the support and guidance provided by the Vice Chancellor of the University of Kelaniya, Senior Professor Nilanthi de Silva, Dean of the Faculty of Graduate Studies, Senior Professor Kapila Seneviratne, and Commissioner General of the Department of Ayurveda, Dr. Dammika Abeygunawardana. We owe a debt of gratitude to the organizing committee, as well as all academic and non-academic staff, for their unwavering support and dedication to the success of the symposium.

We wish everyone a fruitful and enriching experience at AyurEx Colombo 2024, filled with valuable knowledge and meaningful interactions.

About AyurEx Colombo - 2024

The 2nd International Research Symposium on Traditional Medicine (AyurEx Colombo - 2024) organized by the Faculty of Graduate Studies, University of Kelaniya, Sri Lanka, in collaboration with the Department of Ayurveda, Ministry of Health, Sri Lanka is a beacon of academic and professional excellence in the field of traditional medicine. The symposium aims to bring together scholars, researchers, and practitioners in the field of traditional medicine to exchange knowledge, discuss research findings, and explore new avenues for collaboration and advancement in the field.

The conference for this year will consist of ten plenary sessions, followed by a keynote address by **Prof. Vaidya Rabinarayan Acharya, Director General, Central Council for Research in Ayurvedic Sciences (CCRAS), India.**

Sub Themes

1. Vrikshayurveda (ancient science of plant life & plant care) and Satvarurveda (veterinary medicine) with a holistic approach
2. Metabolic disorders in human and animal
3. Traditional practices on food, nutrition and food safety
4. Zoonotic disease and traditional medicine
5. Pharmacology, pharmaceuticals and clinical trials
6. Preventive and curative measures of health issues
7. Advanced medical & surgical practices in traditional medicine
8. Eco-Tourism, yoga, and wellness
9. High-tech innovations in traditional healthcare systems
10. Toxic effects on humans, animals and ecosystems
11. Antimicrobial resistance, environmental contamination, climate change, biodiversity, and habitat loss
12. Sustainable cultivation, organic farming, conservation, and propagation of medicinal plants

Schedule of the Plenary Sessions

Plenary Speaker	Affiliations	Title	Time	Venue	Date
Prof. Ms. Tanuja Nesari	M.D. and Ph.D. in Ayurvedic Pharmacology (Dravyaguna vidnyan) from Gujarat Ayurved University, Jamnagar. Director, All India Institute of Ayurveda, New Delhi, India	Bridging Traditional Wisdom with Modern Science - In context of Ayurveda Research Methodologies	09.30 am - 09.50 am	Hall Number 01	04 th of May 2024
Prof. Iraj Ratnayake	Professor in the Department of Tourism Management, Sabaragamuwa University of Sri Lanka	Equity and Inclusion: Reforming the Future of Wellness	09.30 am - 09.50 am	Hall Number 03	04 th of May 2024
Dr. Dinum Perera	Faculty of Technology, Rajarata University, Sri Lanka	Sowing wellness: cultivating halophytes as a paradigm shift in medicinal crop production	10.20 am - 10.40 am	Hall Number 01	04 th of May 2024
Dr. Geetha Krishna	Unit Head, Evidence and Learning, WHO Global Treatment Center, Jamnagar, India	WHO initiatives for traditional medicine	10.20 am - 10.40 am	Hall Number 03	4 th of May 2024
Dr. Manoj Nesari	PhD in Policy Research. MD, internal medicine (Kayachikitsa), Advisor, Ayurveda, Ministry of AYUSH, Govt. of India	Recent developments in control of Zoonotic diseases and promotion of Veterinary Health through Ayurveda	01.00 pm - 01.20 pm	Hall Number 03	04 th of May 2024
Vidya Jyothi Prof. Vajira Dissanayake	Professor of Medicine, Dean, Faculty of Medicine, University of Colombo	Integrating Traditional Knowledge into Modern Healthcare Systems to enhance Health and Wellbeing	09.30 am – 09.50 am	Hall Number 01	05 th of May 2024
Prof. Ayanthi Navarthne	Senior Professor, Department of Chemistry, University of Peradeniya	Toxic effects of pesticides and fertilizer on human, animal and ecosystem as a whole	09.30 am – 09.50 am	Hall Number 03	05 th of May 2024
Senior lecturer Dr. (Ms) M.W.S.J. Kumari	Faculty of Indigenous Medicine, University of Colombo	Vrikshayurveda and Satvarurveda for one health approach	10.20 am – 10.40 am	Hall Number 01	05 th of May 2024
Dr. Mukesh Chawda	Shree Dhootapapeshwar Limited, Mumbai, India	Addressing Unmet needs in Knee Osteoarthritis Management through Traditional Medicines	10.20 am - 10.40 am	Hall Number 03	05 th of May 2024

Instructions for Oral and Poster Presentations

All halls will be equipped with a laptop and a projector/smart board. The operating system will be Windows 11 Professional, and available software will be Microsoft Office 365 (including MS Word, MS PowerPoint, MS Excel), Adobe Acrobat, Windows Media Player, and VLC media player).

Oral and Poster Presentation Sessions

Oral presentations will be 10 minutes in duration, with an additional 5 minutes allocated for questions and answers. Presenters are requested to submit the Microsoft PowerPoint slides prior to the given deadline.

For easy reference, a unique code has been assigned to each presentation:

Abstract ID

- The letter string in the first position refers to the title of the symposium - AyurEx.
- Second position “24” refers to the year “2024”.
- The number in the third position refers to the number of the abstract.

The Faculty of Graduate Studies (FGS)

The Faculty of Graduate Studies coordinates with all the Boards of study in the university in offering research degrees, degrees with only coursework or coursework and research. All the postgraduate degree programs offered by the FGS conform to the relevant Sri Lanka Qualification Framework (SLQF) guidelines. The FGS specifies requirements for postgraduate admission and establishes and regulates standards with respect to the quality of postgraduate teaching and research. The FGS also promotes intra-faculty, inter-faculty, inter-university and international collaborations in postgraduate teaching and research. The quality of postgraduate research projects of the students is strictly monitored by a proposal presentation, biannual progress reports, and progress presentations. The Faculty of Graduate Studies consists of Boards of Study established based on the subject areas.

Boards of Study of the Faculty of Graduate Studies:

- Board of Study in Commerce and Business Management
- Board of Study in Computing
- Board of Study in Digital Learning
- Board of Study in Humanities
- Board of Study in Medical Sciences
- Board of Study in Multidisciplinary Studies
- Board of Study in Science
- Board of Study in Social Sciences
- Board of Study in Technology

International Collaborations:

The Faculty of Graduate Studies offers the following programs in foreign countries.

- MBA, MPhil and PhD programs in Bangladesh
- Master of Business Studies Program in China
- Master of Arts in Buddhist Studies Program in Malaysia

Program Overview

Inauguration Ceremony – 3 rd May 2024	
1.00 pm – 1.50 pm	Pre-symposium registration
1.50 pm – 2.00 pm	Arrival of guests
2.00 pm – 2.05 pm	Lightening of the traditional oil lamp
2.05 pm – 2.10 pm	Ayurveda song
2.10 pm – 2.15 pm	Welcome Address Prof. Priyani Paranagama Symposium Chair
2.15 pm – 2.20 pm	Address by the Dean, Faculty of Graduate Studies Prof. N. A. K. P. J. Seneviratne Symposium Co-Chair
2.20 pm – 2.25 pm	Address by the Guest of Honor Prof. Nilanthi de Silva Vice-Chancellor, University of Kelaniya, Sri Lanka
2.25 pm – 2.30 pm	Address by the Secretary of the Ministry of Health Dr. Palitha Gunarathna Mahipala
2.30 pm – 2.35 pm	Address by the State Minister of Indigenous Medicine Hon. Mr. Sisira Jayakody
2.35 pm – 2.40 pm	Address by the Minister of Health Hon. (Dr.) Ramesh Pathirana
2.40 pm – 2.45 pm	Welcome Dance
2.45 pm – 2.50 pm	Address by the Chief Guest Hon. Minister (Dr.) Susil Premajayantha, Ministry of Education, Sri Lanka
2.50 pm – 3.10 pm	Keynote Address Prof. Vaidya Rabinarayan Acharya Director General, Central Council for Research in Ayurvedic Sciences (CCRAS), India
3.10 pm – 3.15 pm	Vote of Thanks Dr. Dammika Abeygunawardena - Commissioner General of Ayurveda, Department of Ayurveda, Navinna, Maharagama, Sri Lanka.
3.15 pm – 3.30 pm	University Anthem
4 th May 2024	Parallel Sessions & Plenary Sessions
5 th May 2024	Parallel Sessions & Plenary Sessions

Valedictory Ceremony Agenda

Valedictory Ceremony – 5 th May 2024	
3.00 pm – 3.10 pm	Welcome Address by the Dean, Faculty of Graduate Studies Prof. N. A. K. P. J. Seneviratne Symposium Co-Chair
3.10 pm – 3.15 pm	Address by the Chief Guest Prof. Vidya Jyothi Vajira H. W. Dissanayake Dean of the Faculty of Medicine, University of Colombo, Sri Lanka
Panel Discussion

Program Schedule

4th May 2024

UCFM Tower – Hall 1

Session A (8.00 – 09.30)

Moderator	Time	Abstract ID	Authors	Title
Session Chair & Repertoire Dr. Manoj Nesari	8.00 – 8.15	AE/24/226	<u>S. N. T. Kumara</u> , K. P. S. S. Pathirana, D. Perera, R. N. Attanayake and P. A. Paranagama	Bioassay guided isolation of phytochemicals from shoot extracts of <i>Suaeda maritima</i> in Sri Lanka as a source of potential therapeutic agents
	8.15 – 8.30	AE/24/206	<u>U.L.I.G Siriwardhana</u> , D. Perera, R.N Attanayake and P.A Paranagama	Biochemical profile and in-vitro biological activities of extracts from <i>Halophyte Halosarcia indica</i>
Session Co-Chair Prof. S. Herapathdenia	8.30 – 8.45	AE/24/42	<u>I.F. Sanooshiya</u> , Nazeem Fahamiya, Mohamed Shiffa	Temperature Standardization in the Preparation of Unani Herbo-mineral Formulation - <i>Kushta e Marjan Sada</i>
	8.45 – 9.00	AE/24/44	<u>K.P.D.C. Perera</u> , K.A.L.S. Kuruppuarachchi, B.G.M. Rajakaruna, J.A.S. Jayakody	Evaluating the effectiveness of specific Ayurveda formulae in the management of <i>Svithra roga</i> WSR to Leukoderma – A case series
Session Coordinator/s Mr. Dilan Chamuditha	9.00 – 9.15	AE/24/45	<u>I. Perera</u> , M. Niriella, N. Chandraratne, S. Jayasinghe, C. Goonaratna	A phase 1 clinical trial in healthy human volunteers to determine the safety of a polyherbal formulation Link Livecare for liver health
	9.15 – 9.30	AE/24/67	<u>I.A. Nirosha</u> ., I.A.M. Leena, O.T.M.R.K.S.B Kalawana	A review on medicinal value of <i>Amaranthus viridis</i>

	9.30 – 9.50	Plenary Sessions Hall 1 - Prof. Thanuja Nesari - Bridging Traditional Wisdom with Modern Science - In context of Ayurveda Research Methodologies Hall 3 - Prof. Iraj Rathnayake - Equity and Inclusion: Reforming the Future of Wellness
	9.50 – 10.20	TEA
	10.20 – 10.40	Plenary Sessions Hall 1 - Prof. Geetha Krishna - WHO initiatives for traditional medicine Hall 3 - Dr. Dinum Perera - Sowing wellness: cultivating halophytes as a paradigm shift in medicinal crop production

4th May 2024
UCFM Tower – Hall 1
Session B (10.40 – 12.10)

Moderator	Time	Abstract ID	Authors	Title
Session Chair & Repertoire	10.40 – 10.55	AE/24/87	<u>W.M.R.L. Chathuranga</u> , S.K.M.K. Herapathdeniya, D.M. Nallaperuma	Studying bee honey in different areas of Sri Lanka
Prof. Nimanthi Jayathilaka	10.55 – 11.10	AE/24/94	<u>R.T. Dasunika</u> , S.K.M.K. Herapathdeniya, D.M. Nallaperuma	Preparation of face cream for uvanapidaka viz -a - viz acne with special reference to <i>Manjishthadi</i> oil
Session Co-Chair	11.10 – 11.25	AE/24/96	<u>C.P.K. Chandrathilake</u> , Madara Jayanetti and Charitha Thambiliyagodage	Determination of <i>in vitro</i> enzyme inhibition, antioxidant activity, antibacterial efficacy, phytochemical analysis of <i>Atalantia ceylanica</i> (arn)
Dr. Thelma Abeysinghe	11.25 – 11.40	AE/24/117	A.S. Kadu, A. Sharma and <u>R. K.N. Priyangika</u>	Assessment of hepatoprotective activity of <i>Bilwadi Agada</i> : A retrospective human study
Session Coordinator/s	11.40 – 11.55	AE/24/119	<u>H. N. M. Perera</u> , T. T. M. Peiris, and W. G. B. P. Dharmasena	The secondary metabolite biosynthesis gene clusters of <i>Mikania micrantha</i> : an <i>in-silico</i> approach to validate its bioactive properties
Mr. Dilan Chamuditha	11.55 – 13.00	LUNCH		
Ms. Lasini Amunugama				

4th May 2024

UCFM Tower – Hall 1
 Session C (13.00 – 14.50)

Moderator	Time	Abstract ID	Authors	Title
Session Chair & Repertoire Prof. Nimanthi Jayathilaka Session Co-Chair Prof. Suranga Wickramarachchi Session Coordinator/s Mr. Dilan Chamuditha Ms. Lasini Amunugama	13.00 – 13.20	Hall 3 - Prof. Manoj Nesari - Recent developments in control of Zoonotic diseases and promotion of Veterinary Health through Ayurveda		
	13.20 – 13.35	AE/24/120	<u>K.P.D.C Perera</u> , and R.D.H Kulatunga	Therapeutic efficacy of selected Ayurveda formulae in liver diseases WSR to non-alcoholic fatty liver disease (NAFLD): A case series
	13.35 – 13.50	AE/24/123	<u>M.G.D.D.V. Chamara</u> , S.K.M.K. Herapathdeniya, D.M. Nallaperuma	Pharmaceutical and analytical study of <i>Narikelakhanda</i>
	13.50 – 14.05	AE/24/163	<u>M.J.H.P. Sabra</u> , M.S.F. Sapra	Kundur (<i>Boswellia serrata</i>) in the management of inflammatory disorders: A comprehensive review
	14.05 – 14.20	AE/24/164	<u>A.G.N. Nirmali</u> , K.W. Gunawardana, N. Kumarasinghe, N. Salim, and A.I. Kuruppu	Assessment of Phytochemical Content, and <i>in-vitro</i> Antioxidant and Anti-inflammatory Activity of an Arishta Formula
	14.20 – 14.35	AE/24/182	<u>S.U. Kankanamge</u> , W.J.A.B.N. Jayasuriya, H.M.D.R. Herath and R.N. Pathirana	Solid state characterization of Lotus seed starches modified by pregelatinization and acetylation: potential as excipients
	14.35 – 14.50	AE/24/21	<u>U.R.S.R.K. Senarathne</u> , S.A.J.C. Samaranayake, R. Shingadia	Critical review on <i>Pancha Lavana</i> : Five varieties of salt used in Ayurveda pharmaceutical preparations
	15.05 – 15.30	TEA		

4th May 2024
UCFM Tower – Hall 1
Session D (15.30 – 17.30)

Moderator	Time	Abstract ID	Authors	Title
Session Chairs & Repertoire	15.30 – 15.45	AE/24/207	<u>K.L.A.Y. Chathurammi</u> , A. Manoraj, T.K. Nawarathne, R.K. Jayarathne	Comparative microbiological and physico-chemical study on <i>Dhatri churna</i> available in the local market – towards standardization
	15.45 – 16.00	AE/24/216	<u>M.I.J. Jayakody</u> , E. D. T. P. Gunarathne, and R. D. H. Kulatunga	Evidence Based Management of <i>Janu Sandhigatavata</i> through <i>Kolakulaththadi Upanaha Sweda</i> : Case Series
Session Co-Chair	16.00 – 16.15	AE/24/223	<u>M. L. D. C. Jayawantha</u> , Lankani Hettigoda, Tharindya Dinethri Mudalige, and P. A. Paranagama	Evaluating the chemical profile and urease inhibition activity of Siddhalepa Asamodagam Spirit obtained from seeds of <i>Trachyspermum roxburghianum</i>
	16.15 – 16.30	AE/24/225	<u>P.D.M. Wijewickrama</u> , C.D. Jayasinghe, G.N. jayawardena and R. Senthilnithy	A computation investigation of the anti-viral potential of phytochemicals isolated from Sri Lankan medicinal plants against dengue virus
Session Coordinator/s	16.30 – 16.45	AE/24/20	<u>M.I.L.F. Abdha</u> , Nazeem Fahamiya, Mohamed Shiffa	Preliminary physico-chemical evaluation of <i>Kushta e Marjan Sada</i> prepared by classical and modern methods
	16.45 – 17.00	AE/24/243	<u>M.I.F. Asma</u> , M.N.F. Rizniya	Nutritional and phytochemical properties of <i>Sharbat-e-Tamar Hindi</i> : An Unani functional beverage
Ms. Lasini Amunugama	17.00 – 17.15	AE/24/15	<u>Y.P.N. Silva</u> , H.P.S. Jayapala, S.R. Pemadasa, P.S. Jayasinghe and Sun Young Lim	loe, <i>Sargassum crassifolium</i> in Jaffna Coastal water, Sri Lanka
	17.15 – 17.30	AE/24/24	<u>S.P.H.S. Pathiraja</u> , H.P.M. Dabare and D.D.T.I. Karunarathne	Acceptance of hemodialysis among CKD patients
	17.30 – 17.45	AE/24/224	<u>S.K.P. Waidyarathna</u> , and S.M.S. Samarakoon	A clinical study on <i>Pippali</i> with <i>Amurta Choorna</i> in the management of <i>Panduroga</i> (Iron deficiency anemia)

4th May 2024
UCFM Tower – Hall 2
Session A (8.00 – 09.30)

Moderator	Time	Abstract ID	Authors	Title
SS Session Chairs and Repertoire Prof. Iraj Rathnayake	8.00 – 8.15	AE/24/03	P.K.U. Perera	Transforming Habarana and the Surrounding area as a Destination for Wellness Tourism
	8.15 – 8.30	AE/24/04	L.V.M.G. Vithana (Online)	The potentials and challenges of promoting eco-tourism concept as a new revival of tourism industry in Sri Lanka
	8.30 – 8.45	AE/24/287	M.G.W.R. Kumari	Exploring the Therapeutic Potential of Yoga for Women's Health: A Review
Session Co-Chair Dr. Dhanushka Karunaratne	8.45 – 9.00	AE/24/132	W.M.J. Karunaratne and A. G.Samarawickrama	Clinical study on Effectiveness of combined Mindfulness and Meditation on Insomnia
	9.00 – 9.15	AE/24/271	S.G. Punchihewa, W.M.S.S.K. Kulatunga	Role of <i>Rakthamokshana</i> in the Management of Skin Rash: A case study
Session Coordinator/s Mr. Haritha Lawan Mr. Thilina Silva	9.30 – 9.50	Plenary Sessions Hall 1 – Prof. Thanuja Nesari - Bridging Traditional Wisdom with Modern Science - In context of Ayurveda Research Methodologies Hall 3 – Prof. Iraj Rathnayake - Equity and Inclusion: Reforming the Future of Wellness		
	9.50 – 10.20	TEA		
	10.20 - 10.40	Plenary Sessions Hall 1 - Prof. Geetha Krishna - WHO initiatives for traditional medicine Hall 3 - Dr. Dinum Perera - Sowing wellness: cultivating halophytes as a paradigm shift in medicinal crop production		

4th May 2024
UCFM Tower – Hall 2
Session B (10.40 – 12.10)

Moderator	Time	Abstract ID	Authors	Title
Session Chairs and Repertoire Prof. Iraj Rathnayake Session Co-Chair Dr. Dhanushka Karunaratne Session Coordinator/s Mr. Haritha Lawan Mr. Thilina Silva	10.40 – 10.55	AE/24/54	<u>S.A.D.P.S. Suraweera</u> , P.B.S.N. Kumara, B.L.P.C. Balasooriya, and C.H.C.P. Jayaweera	Exploring botanic garden tourism as a catalyst for urban wellbeing

	16.45 – 17.00	AE/24/139	<u>B.C.S. Guruge</u> , C.P. Danthanarayana and W.M.A.H. Bandara	Identify the potential of promoting seaweeds as a food tourism product in Sri Lanka
Session Coordinator/s	17.00 - 17.15	AE/24/199	<u>V.A. Wijesekara</u> , <u>D.M.O.E. Ulapane</u> , H.M.N.S Herath, S.M.D.S. Jayathissa, A.D.K. Nanayakkara, R.K.D. Wijesingha, H.R.M.G.C. Thilakarathne and R.H.G.R. Wathsala	The aged-old practice of smoking fish with wood varieties in Anuradhapura, North Central Province, Sri Lanka
	17.15 – 17.30	AE/24/281	<u>K.M.S.A.K. Dehideniya</u> , V.P. Bulugahapitiya, R.S. Sabaragamuwa, and T.C. Kananke	Testing of selected pharmacological activities of plants extracts of <i>Psidium guajava</i> , <i>Garcinia quaesita</i> , and <i>Cinnamom verom</i> to be used in functional food preparations
Mr. Haritha Lawan				
Mr. Thilina Silva				

4th May 2024
UCFM Tower – Hall 3
Session A (8.00 – 09.30)

Moderator	Time	Abstract ID	Presenter	Title
Session Chair & Repertoire	8.00 – 8.15	AE/24/236	<u>Ashra M.F</u> and Sapra M.S.F.	Comprehensive review on dietary interventions for management of autoimmune diseases: insights from Unani Medicine
	8.15 – 8.30	AE/24/247	<u>N.P.M. Gunarathna</u> , N.M.C. Nayanakantha and T.D.C.M.K. Wijayasiriwardna	Formulation & quality identification of soapnut antidandruff shampoo
Prof. Kanthi Kulathunga	8.30 – 8.45	AE/24/05	K.G.N.U. Ranaweera	Combating toxic waste crimes through environmental criminology: a multifaceted approach to safeguarding health and the environment
	8.45 – 9.00	AE/24/86	<u>G.T.P.S. Gulawitige</u> , G.S.T. Silva, M. Greorgy, H.M.T.R. Samarakoon, C.R. De Silva and S.R. Wickramarachchi	Acute and chronic toxicity of chitosan mediated silver nanoparticles on <i>Daphnia</i> sp.
Session Co-Chair Dr. Priyanganie Gunaratne	9.00 – 9.15	AE/24/99	<u>C.D.A.M.S. Priyangani</u> , Yohan L N Mathota Arachchige and A.T. Kannangara	The presence of Bisphenol A in some food containers used in Sri Lanka
	9.15 – 9.30	AE/24/178	<u>J.S. ANUSARA</u> , and K.I.W.K. SOMARATHNA	A Review on <i>Alasa: A Kshudra-roga</i>
Session Coordinator/s Mr. Anushka Dulanjana Mr. Pasindu Deraniyagala	9.30 – 9.50	Plenary Sessions Hall 1 -Prof. Thanuja Nesari - Bridging Traditional Wisdom with Modern Science-In context of Ayurveda Research Methodologies Hall 3 - Prof. Iraj Rathnayake - Equity and Inclusion: Reforming the Future of Wellness		
	9.50 – 10.20	TEA		
	10.20 – 10.40	Plenary Sessions Hall 1 – Prof. Geetha Krishna - WHO initiatives for traditional medicine Hall 3- Dr. Dinum Perera - Sowing wellness: cultivating halophytes as a paradigm shift in medicinal crop production		

4th May 2024
UCFM Tower– Hall 3
Session B (10.40 – 12.10)

Moderator	Time	Abstract ID	Authors	Title
Session Chair & Repertoire	10.40 – 10.55	AE/24/280	<u>M.M.F. Hajara</u> , L.M.S.I. Jayasinghe, N.M.C. Nissanka, K.A.A. Dilhari, and M.M. Weerasekera	Synergistic antifungal efficacy of <i>Dillenia retusa</i> and <i>Senna alata</i> combinations against superficial mycoses-causing fungal pathogens
Dr. Thelma Abeysinghe	10.55 – 11.10	AE/24/36	<u>D.M.A.C. Bandara</u> , T.M.S.G. Tennakoon, D.P.A.G.P. Silva, and J. Perera	Growth inhibition of <i>Malassezia</i> species by selected medicinal plant extracts: a potential application for dandruff
Session Co-Chair	11.10 – 11.25	AE/24/88	N.S. Epa, <u>J.A.D. Jayasuriya</u> and P.M.M.P. Fernando	Formulation and characterization of nanosuspension of <i>Camelia sinensis</i> extracts and evaluation of the antimicrobial activity
Prof. S Molligoda	11.25 – 11.40	AE/24/113	<u>W.G.B.P. Dharmasena</u> , L.A.N de Silva, N.H. Madanayake and D.H.H. Munasinghe	Antimicrobial activity of endophytes isolated from <i>Mikania cordata</i> : a scientific explanation to traditional use of the plant
Session Coordinator/s	11.40 – 11.55	AE/24/130	<u>M. F. F. Hafsa</u> , D. Darshana, S. S. Wickramasinghe, S. H. Tennakoon and M. T. Napagoda	Evaluation of the antibacterial activity of <i>Plectranthus zeylanicus</i> and <i>Plectranthus amboinicus</i> against <i>Staphylococcus aureus</i>
Mr. Anushka Dulanjana	11.55 – 12.10	AE/24/159	<u>K.M.R.V. Kapilaratne</u> , and R. Wimalasekara	Exploring the Nutritional Composition and Medicinal Significance of <i>Olax zeylanica</i> and <i>Canthium coromandelicum</i> : A Comparative Analysis
Mr. Pasindu Deraniyagala	12.10 – 13.00	LUNCH		

4th May 2024
UCFM Tower– Hall 3
Session C (13.00 – 14.50)

Moderator	Time	Abstract ID	Authors	Title
Session Chair and Repertoire Prof. Renuka Attanayake	13.20 – 13.35	AE/24/168	U.L. Naleefa	Harnessing the antimicrobial potential of <i>Zingiber officinale</i> against antimicrobial resistance
	13.35 – 13.50	AE/24/173	K. Raveendiran, M. Dilshan and P.Wijesinghe	Identification of antibiotic resistant bacteria in effluent water of medical and surgical wards in Teaching Hospital Peradeniya, Sri Lanka
Session Co-Chair Dr Dinum Perera	13.50 – 14.05	AE/24/197	S. Shiffana and <u>M.S. Shihana</u>	Antibacterial activity of <i>Azadirachta indica</i> leaves extract: An in-vitro study
	14.05 – 14.20	AE/24/275	<u>K.P.S.S. Pathirana</u> , D. Perera, R.N. Attanayake, and P.A. Paranagama	Therapeutic potential of <i>Suaeda maritima</i> arial and root extracts as novel anti-inflammatory and antibacterial agent
Session Coordinator/s Mr. Anushka Dulanjana	14.20 – 14.35	AE/24/26	Ven B. Nandabodhi Thero	Training Monks and Laymen for Environmental Sustainability: Buddhist Insights
	14.35 – 14.50	AE/24/222	<u>W.A.R.P. Weerasingha</u> , I.A.M. Leena, R.K. Jayaratne, and T.K. Nawarathna	Evaluation of physicochemical properties and microbiological quality of <i>Vidārikandāī chūrna</i> , a polyherbal <i>Ayurveda</i> pediatric preparation
Mr. Pasindu Deraniyagala	15.05 – 15.30	TEA		

4th May 2024
UCFM Tower – Hall 3
Session D (15.30 – 17.30)

Moderator	Time	Abstract ID	Authors	Title
Session Chair and Repertoire Prof. Renuka Attanayake	15.45 – 16.00	AE/24/28	<u>A.M.S.U.M. Attanayake</u> , H.K.L.K. Gunasekera, and C.S. De Silva	Effect of organic manure in ambient and increased temperature conditions on growth and yield of medicinal plant <i>Ashwagandha</i> (<i>Withania somnifera</i>)
	16.00 – 16.15	AE/24/32	<u>M.G.A.D. Kumari</u> , ^c S. De Silva and T.E. Weerawardena	Effect of straight and compound fertilizers on growth and yield of medicinal plant bush pepper (<i>piper nigrum</i> L.)
Session Coordinator/s Dr Dinum Perera	16.15 – 16.30	AE/24/34	<u>M.S.A. Banu</u> , A.M.S.U.M. Attanayake, C.S. de Silva and H.K.L.K. Gunasekera	Effect of organic manure and temperature on the growth of Lunuwila (<i>Bacopa monnieri</i> (L.) Wettst.)
	16.30 – 16.45	AE/24/74	<u>S. Kirusalini</u> , S.Anchanadevi, S.Thanusan and S.Vinujan	Effect of archaea bacterial solution with <i>panchagavya</i> on growth and yield of <i>Lycopersicon esculentum</i>
Session Coordinator/s Mr. Anushka Dulanjana Mr. Pasindu Deraniyagala	16.45 – 17.00	AE/24/90	<u>T.M.M.P.S. Bandara</u> and K.G.S. Madhushani	Impact of <i>Mimosa pigra</i> -Derived organic fertilizer on yield parameters of MI-2 chili (<i>Capsicum annum</i>)
	17.00 - 17.15	AE/24/91	<u>M.R.M.N. Amarasiri</u> and H.P.S. Jayapala	Systematic study of organic liquid fertilizer extracted from seaweeds and wastage of Tobacco
	17.15 – 17.30	AE/24/210	<u>P.K.D. Sandamini</u> , M.R. Prathibhani, R. Azad, R.A.A.K. Ranawaka, K.D.M.S.V.S. Gunawardhana, G.G. Jayasinghe S. Ranaweera and S. Geekiyanage	Determination of the vegetative growth performance of selected cinnamon (<i>Cinnamomum verum</i> J. Presl) accessions at three locations of Sri Lanka

5th May 2024
UCFM Tower- Hall 1
Session A (8.00 – 09.30)

Moderator	Time	Abstract ID	Authors	Title
Session Chair & Repertoire Prof. Sajeewa Herapathdeniya	8.00 – 8.15	AE/24/259	<u>S.M.D.N.P. Senaratna</u> and Y.A.U.D. Karunaratne	Comparative Study on Effect of <i>Agraraja Kwatha</i> and <i>Tripal Gugul Kwatha</i> on <i>Garbhashagata Arbuda</i> (Uterine Fibroid), A Randomized, Single-Blind, Two-Arm, Clinical Trial- Study Protocol
