Presentation Submission Guidelines

- Authors must use the attached PowerPoint presentation template for preparing their presentations.

- After preparing the presentation, the file must be renamed with your abstract ID (Example: MODL 012)

- The presentation should be in both PPT and PDF format should be uploaded to the web and also to the rapporteurs email mentioned in the session plan.

- For your safety kindly bring your PPT in a Pen drive (USB Flash drive)

- The maximum number of abstract presentations allowed by a single student is two (02). Therefore, if you have submitted more than 2 abstracts, please select only two abstracts for presentation.
